### Can you help?

Over the summer I was sent a photograph of a camp at Harewood House in August 1939 which set me thinking. Is there anyone out there who may have been at the camp or at any other camp at Harewood? If so, please could you send any memories and anecdotes to me Via the Region Office.

It would be even more exciting if there were any other photographs or camp badges to look at. This could be part of our Centenary Camp Heritage Strand and would be a fascinating glimpse of our camping past.

Thank you  
Hilary Cooper
