

North East England 40th Birthday Challenge

1st Eggescliffe Brownies have just completed a litter pick as part of their North East England 40th Birthday Challenge.

They held a Pirate themed sleepover the previous night but the girls still managed to get up next morning to pick over 300 pieces of litter from around Eggescliffe Village and tidy up the garden outside the Hall.

Thanks for a great challenge which has provided loads of programme ideas - particularly liked making pizzas and armpit fudge!
