## **Five adult Leaders from across Girlguiding UK are needed for the NEE Senior Section Sailing Challenge 28 July – 4 August 2012**

**Have you seen the flyer for the Senior Section Sailing Challenge next summer?**

**Did you think “I would love to do something like that”?**

Girlguiding North East England have chartered four 72 foot Challenger racing yachts for a week next summer and 42 Senior Section members aged 14 plus are going to have the adventure of a lifetime sailing these yachts.

We are looking for five adult leaders from across the regions/countries to join us on this voyage to sail on the under 18 age group yachts. You are also guaranteed to have an adventure of a lifetime!

We are inviting each region/country to nominate two adult leaders from which we will choose the five we need. If you would be interested in applying to be one of the adult leaders, please complete the attached application form and return it initially to your region office and they will then select two applicants to forward on to North East England region office and we will then choose the adult leaders from these application forms.

There will be two adult leaders on each yacht who will be looking after the welfare of the Senior Section members but they will also take a full and active part in all aspects of life on the yacht.

You do not need to have any sailing experience but you must have a sense of adventure and be prepared to be taken out of your comfort zone!

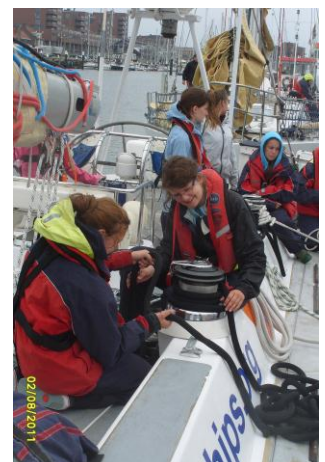

You need to have a good rapport with girls of the Senior Section age group and an ability to motivate them when the going gets tough!

Please ensure you read the Challenger Yacht 2012 flyer and information sheet as these give you lots more information about the trip and what you can expect.

Adult leader voyage cost will be £180.00.

If you require any further information, please contact North East England Region Office: email: [northeast@girlguiding.org.uk](mailto:northeast@girlguiding.org.uk), telephone: 01904 676076

If you want to see the challenger yachts in action look at [www.tallships.org](http://www.tallships.org)  
Also visit the news section at [www.girlguidingnortheast.org.uk](http://www.girlguidingnortheast.org.uk) for a report on the 2011 trip.
