

**Message received from Liz Burnley**

Dear Hilary and all in Girlguiding North East England

The most enormous thank you to all my friends in North East England for the wonderful donations to our Kilimanjaro trek and the Motor Neurone Disease Association. The support has been quite overwhelming and so very much appreciated - thank you to everyone.

The NEE Yorkshire 3 Peaks Challenge gave an excellent training opportunity - so thank you for supporting in so many ways!

Best wishes to all in the Region for the next set of challenges. I'm looking forward to joining in with them too!

Thank you all again,

Liz B
